Communication. Accordingly, this Communication is being timely submitted.

The Examiner to whom this Application is assigned has issued a Notice of Allowability on September 28, 2004. Applicants have timely paid the Issue Fee on December 22, 2004.

On March 2, 2005, the Examiner issued a Supplemental Notice of Allowability with a copy of the "Information Disclosure Statements (PTO-1449 or PTO/SB/08), Paper No./Mail Date 8/7/01" attached thereto. Applicants' attorney office received the March 2, 2005 Supplemental Notice of Allowability on March 7, 2005, more than two (2) months after Applicants have paid the Issue Fee.

A copy of the March 2, 2005 Supplemental Notice of Allowability is attached herein as **Exhibit A.**

Applicants have noticed that the Examiner crossed out six (6) references cited in the "Foreign Patent Documents" section and two (2) references cited in "Other Non Patent Literature Documents" section of the Information Disclosure Statement Form attached to the March 2, 2005 Supplemental Notice of Allowability.

Upon reviewing the Applicants' file history, Applicants have found that the Information Disclosure Statement Form attached to the March 2, 2005 Supplemental Notice of Allowability was previously submitted to the USPTO on May 24, 2000. A copy of the May 24, 2000 Information Disclosure Statement, including the First Class Mail Certificate of Mailing dated May 24, 2000 and a copy of the return postcard with the USPTO date-stamp of May 30,

2000 indicating that ten (10) references were received by the USPTO, is attached herein as **Exhibit B**.

Applicants respectfully maintain that the references cited on the Information Disclosure Statement Form attached to the March 2, 2005 Supplemental Notice of Allowability should not have been crossed out because a copy of the Information Disclosure Statement Form and a copy of each cited reference were timely and properly submitted to the USPTO, as evidenced by the First Class Mail Certificate of Mailing dated May 24, 2000 and the return postcard with the USPTO date-stamp of May 30, 2000.

Alternatively, if the references cited in the Information Disclosure Statement Form attached to the March 2, 2005 Supplemental Notice of Allowability cannot be located in the USPTO's application file; Applicants hereby resubmit a copy of those references, specifically:

March 8, 2005 Telephone Conversations with the Examiner

Accordingly, Applicants attach herewith a clean copy of the Information Disclosure Statement Form that was previously submitted on May 24, 2000 as **Exhibit C**, and respectfully request that the Examiner consider the references attached to this Communication and initial the attached Information Disclosure Statement Form prior to the issuance or publication of the patent.
